Who are we?

Originally named Air Canada Centre in 1999 and now 'Scotia Bank Arena' as of July 2018. We are based in Toronto, Canada and host some of the largest events around the world with the likes of NBA matches, pop star tours, entertainment events such as WWE matches and other sports due to the mass size and accommodation of the stadium.

We have just under 20,000 seats so you can watch your favourite stars rise right in front of you as you enjoy the moment with your friends and family.

Our consumers mean everything to us which shows in our ratings given by people like you, we are rated a staggering 9.7 out of 10 which holds us accountable to take place of being the best-serving arena providing the best customer experience, so what are you waiting for?

What we offer?

We offer a variety of amenities such as sporting events, concerts, entertainment shows, luxury suites, premium seating, dining and concessions, merchandise, accessibility, Wi-Fi and event spaces.

We also take great care of those who might have difficulty getting around which is why the entire arena is made disability accessible and friendly with private entries to beat the rush and a personal wheelchair helper to help you get around if you are unaccompanied.
